MOSAIC FOUNDATION UNVEILS NEW COMPREHENSIVE WEBSITE

August 10, 2007, Washington DC. Mosaic Foundation launched a brand new website, with in-depth information on the organization's history, grant funding, and program offerings. With a new look and new content, the Mosaic Foundation will now be able to share their vision for a better world with a larger audience. In the coming months the Mosaic Foundation will be expanding their profiles of cultural events and grant recipients, to provide greater resources for visitors, and to highlight the incredible programs that the Mosaic Foundation has helped to finance. The Mosaic Foundation will also use the website to allow easy registration for its programs and events as well as a repository for the digital and print media of the Mosaic Foundation's archives.

*Mosaic Foundation is a tax-exempt charitable, educational, and cultural organization founded in 1997 in Washington, DC by the spouses of seventeen Arab Ambassadors to the United States. Fusing their experience, expertise, and charitable and cultural goals to transcend boundaries, forming a true mosaic, the foundation works to improve the lives of women and children and towards enhancing the understanding between the peoples of the Arab world and the United States. **In the years since its' establishment in 1997, the Mosaic Foundation has raised nearly \$10 million from national, international and local corporate, non-profit and individual contributors and has made substantial donations to support work at the international, national and community levels on behalf of women and children.** In addition to funding a wide array of micro-level grants since 2001, major grants have been awarded to the following awardees: World Food Program, Sesame Mosaic, Smithsonian Institution, Children's National Medical Hospital, Academy for Educational Development (AED), Grameen Foundation USA, United Nations Foundation (AIDS in Africa), National Race for the Cure, Save the Children, and St. Jude's Children's Research Hospital.*
